Visual Development Experience

Front End Web Developer Ringling College of Art and Design Sarasota, FL Spring 2012

As part of an upper level course in the visual development, conceived and designed an original how-to website. Carefully developed a website concept and utilized Adobe Photoshop CS5.5 and Illustrator CS5.5. Executed an iWork Keynote presentation to display and pitch the website while diplomatically answering questions.

Skills and Abilities

Skilled in: Adobe Illustrator, Photoshop, InDesign, After Effects; Microsoft Word, Power Point Excel; iWork Keynote, Pages; and Final Cut Pro. Working understanding on Mac and PC platforms.

Excellent: People skills, attention to details, and ability to manage and organize tasks for multiple people while maintaining composure. Ability to comply to deadlines and schedules and work under pressure.

Customer Service

Seasonal Cashier Michael's Arts & Crafts Sarasota, FL September 2011-December 2011

Working under front end supervisors to provide excellent customer service by directing customers to products and handling transactions and returns. Work on the sales floor as well organizing and setting up products and answering customer questions.

Hostess Spagnuolo's Okemos, MI September 2009-May 2010

Working independently and with others to help seat guests and handle transactions. Providing customer service in a professional and timely manner, and occasionally helping wait on tables during busy times.
